

Cell Fuel Application & Authorization Agreement

Name _____ Mobil Phone # _____
Address _____ Email Address _____
City / State _____ Social Security # _____
Security Code _____ (Minimum 6 digits, one Letter, one Number, one Capital)
Bank Name _____ Phone # _____
Bank Routing # _____ Checking Account # _____

Thank you for choosing to purchase fuel using the CellFuel Application on your cell phone and directing that all purchases be charged to the above Checking Account. By completing this Application you authorize CellFuel to verify the above information and your credit. All your information will be kept confidential and you must not share your Security Code or lend your mobile phone to anyone to purchase fuel. Any questions or changes to the above information shall be directed to help@mycellfuel.com

In order to insure payment for fuel, you agree to place Overdraft Protection on your Bank Account. Should you change banks, you agree to notify CellFuel of your new bank and account information before using your CellFuel app to purchase fuel.

Questions or changes to your information shall be directed to help@mycellfuel.com.

In order to insure payment for fuel, you agree to place Overdraft Protection on your Bank Account. Should you change banks, you agree to notify CellFuel of your new bank and account information before using your CellFuel App to purchase fuel.

You agree that all Receipts for Fuel Purchases will be sent to the above email address.

Should your purchase of fuel be rejected you agree to pay for said fuel by other means within 10 days of Notice sent to the above email address, plus a Return Fee, as noted on the MyCellFuel.com website.

By signing this CellFuel Application and Authorization Agreement you acknowledge that you have received and read a copy of CellFuel Terms and Conditions sent to your email address along with approval of your Application. Said Terms and Conditions are posted at mycellfuel.com, and may be changed from time to time with notice sent to your email address.

Completing this Application does not guarantee Acceptance to purchase fuel using CellFuel App. Application Fee of \$100 will be returned if Application is not approved.

Please attach a check for \$100 from the above account to setup your CellFuel Application and verify the above information. If completing this Application electronically, you authorize CellFuel to charge the above checking account for the Application Fee.

I agree to the above terms and make Application this _____ day of _____ 2020.
